Baby's first room can turn into a race track, a galaxy, or princess's castle. Louvolite with The Walt Disney Company has launched an initial collection of 12 fabric designs that bring fantasy to the dreamers or action for the adventurers. No matter the age there's a design for every step of their way, even for the big kid in you!

These window blinds, with their fantastic blackout properties, are great in bedrooms, family rooms and playrooms too - bringing a touch of magic to every corner of the home.

For ultimate light control consider Louvolite's blackout framing system which is designed to block out light and help you or your little one get a good nights sleep.

Brilliant in summer when it's bedtime!

# BE PART OF THE STORY

As new films are released, we will also create and release new designs so that film fans can quickly and easily update their window blind with exciting looks from the movie of the moment.

With an ever expanding archive of designs featuring classic, loved characters like Mickey Mouse and Minnie Mouse to brand new Super Heroes and Heroines like Finn and Scarlet Witch, there's sure to be a Disney, Star Wars™ or Marvel blind for everyone.

*“Marvel is a cornucopia of fantasy, a wild idea, a swashbuckling attitude, an escape from the humdrum and prosaic. It’s a serendipitous feast for the mind, the eye, and the imagination, a literate celebration of unbridled creativity, coupled with a touch of rebellion and an insolent desire to spit in the eye of the dragon.”*
